Winter 2017/2018 Registration

The Crown Point Track Club (CPTC) provides coaching and training for all track and field events. CPTC seeks to promote the sport of track and field, to develop athletes' skills and to encourage physical fitness and a healthy lifestyle. More importantly, CPTC promotes the value of sportsmanship, teamwork, personal goal setting and hard work.

We will be hosting track winter practices in a variety of track and field events at Crown Point High School. Coaches from around the area will be on hand to give direction for athletes at a higher level of competition. Students entering grades 6 through 12 in any Crown Point Community School are eligible. The sessions will be on Tuesdays and Thursdays December 5, 2017 - January 25, 2018 at varying times, based on facility availability - please check our website, remind or social media on practice dates to verify. Because of the inconsistency, **we are not charging any fees**. However, the athlete must register with USATF, and have a valid membership number.
